SKILLS

- HTML
- CSS
- JavaScript

LANGUAGE

- English
- Bangla
- Hindi

OBJECTIVE

As a motivated and diligent class 10 student with a solid foundation in HTML, CSS, and JavaScript, I am eager to embark on an internship to apply and enhance my web development skills. I am seeking an opportunity to contribute to a dynamic team, gain practical experience, and further develop my understanding of the industry. Through this internship, I aim to contribute effectively, learn from seasoned professionals, and grow both personally and professionally.

EDUCATION

SSC-Secondary School Certificate

DSDM- Dokhin Singher Dakhil Madrasha
2019 – 2023

PROJECTS

FOODS- Online Food Selling Website

Developed a responsive web application for an online food selling platform. The website allows users to browse a variety of food items, and place orders. Implemented a user-friendly interface with a focus on a seamless user experience.

Key Technologies Used:

- HTML, CSS, JavaScript
- Responsive Design for cross-device compatibility

LIve LInk
